

There is still enough in the treasury to do some necessary maintenance and clean up on the trailer that is used for a hamburger booth for the Stampede. Some of the members will be looking into those necessities very soon to be ready for the big show.

This final thanks is not a belated one, as we have always recognized their generosity, but is a repeated one to Frances and Marvin Kuntz at City Centre Motel for the many times they have donated electricity for various functions that have been held at the park. Thank you, all, who have been so generous. It's a pleasure to serve as your Chamber.
